Creating a Chart

Steps to Your Success

Directions: What goals do you want to set for yourself for the new school year? Think of three goals that will help you improve your schoolwork or get more involved in your school or community. Write these in the column labeled "My Goal." In the center column, write ideas for how you can achieve each goal. Then in the third column, write ways you can measure the success of each goal.

MY GOAL	HOW I WILL ACHIEVE MY GOAL	HOW I WILL MEASURE MY SUCCESS
